Our Design Services

Bronze 3-D Visual Portfolio

This package includes 3-D computer visualization for one area of study, such as a kitchen and surrounding area. It includes a series of perspective views and elevations of the study area as drawn in its original layout. This portfolio includes a short critique of the study area strengths and weakness without proposing new design ideas or revisions.

Package Price \$390

Silver 3-D Design Portfolio

This package includes 3-D computer visualization for one area of study. It includes a series of perspective views and elevations of the study area as drawn in its original layout. This portfolio includes a short critique of the study area strengths and weakness and includes exploring up to (2) design alternatives with perspectives and elevations as needed.

Package Price \$520

Gold 3-D Design Portfolio

This is our most popular design portfolio. It includes 3-D computer visualization for a home. The study areas include each room of interest. It includes a series of perspective views and elevations of the home as drawn in its original layout. It includes a room-by-room critique of strengths and weakness and includes exploring up to two (4) design alternatives with perspectives, elevations and a movie (3-D walk-through) as required to convey design concepts and ideas to our client and the project build team. This includes on site consultation(s) as needed.

Package Price(s)

- Under 3,000 S.F. Single level plan \$1,820
- Small Multi-level plan \$2,600
- Large Multi-level plan \$3,640
- +Travel Expenses

Platinum 3-D Design Portfolio

This is the portfolio for a finely detailed "Grand Villa". It includes 3-D computer visualization for a single residence with as many revisions and critiques as one desires. Architectural design plans and specifications are prepared to detail each room. It includes a room-by-room critique of strengths and weakness and includes consultation with all of the related trades involved in completing a residence. This portfolio includes job site inspections and consultation and requires Architectural Design to have job site management authority in the execution of work relating to the Design Plans and Specifications provided.

Package Price \$7,800
+\$65 hourly Job Site Management
+Travel expenses
