Assignment #3

Compile a list of the allied trades (Architect, interior designer, contractor, plumber, electrician, etc.) that you are working with or would like to be involved in the construction of your home.

A few questions to get started

Why are you building?

How long do you propose to be living in the home?

What value will this home have?

What is your target cost to build?

When do you plan to begin construction?

Is there a home style that has special appeal to you?

What lifestyle will this home reflect?

(Formal, casual, refined, country, minimalist, entertaining, historical, etc.)

Who will be the primary occupants?

What kinds of meals are prepared and who is eating?

What is the orientation of the lot? Which way is north?

Are there special views?

Are there current or future buildings surrounding the site?
